This purpose of this report is to capture and track the volume, type and status of PROVIDER complaints. A complaint includes any provider dispute of the CCN's policies, procedures, or any aspect of the CCNs administrative functions. **It DOES NOT include any provider appeals for the denial, reduction or suspension of medically necessary services nor any grievances or appeals filed by providers on behalf of members**, those are reported on the State Fair Hearing reports. Complaints should be relevant to Health Plan specific policies and practices and NOT to individual claim items. Please refer to Definitions for status & category details.

¹You must submit a complaint summary sheet detailing all pending or closed (A1) complaints not resolved within 30 to 90 days a(see format on "SI 182-attachment" TABS)
