Dear [REDACTED]

Case ID: [REDACTED]

You recently received a letter from us about the BAYOU HEALTH program. Our letter asked you to choose a BAYOU HEALTH Plan by June 26, 2012, to start getting some of your health care services (doctor visits, hospital care, etc.) through BAYOU HEALTH effective July 1, or we would choose a Health Plan for you. **BAYOU HEALTH does not change how you get your waiver services.**

We have decided to **postpone** the start of BAYOU HEALTH for people in Medicaid Waivers until further notice. This gives you more time to choose the Health Plan that best meets your needs.

- **If you have already signed up for a BAYOU HEALTH Plan, you will continue to get your services as you always have in the past. Your BAYOU HEALTH Plan will not start until we let you know.**
- **If you have not signed up for a BAYOU HEALTH Plan yet, you do not need to choose a Health Plan now.**

We will let you know when we start BAYOU HEALTH services for people in Medicaid Waivers. **You do not need to take any action until you hear from BAYOU HEALTH.**

You can learn more about BAYOU HEALTH by visiting our website. You can also call us or email us and we will be happy to answer your questions.
