During negotiations with CMS to secure approval, additional revisions were made. This proposed Rule is being promulgated to continue the provisions of the March 2, 2013 Emergency Rule, and to revise these provisions to ensure they are consistent with the approved corresponding State Plan Amendment.

This proposed Rule continues the provisions of the November 1, 2012 and March 2, 2013 Emergency Rules which amended the provisions governing outpatient hospital services to establish supplemental Medicaid payments to non-state owned hospitals in order to encourage them to take over the operation and management of state-owned hospitals that have terminated or reduced services.

- B. Summarize the circumstances that require this action. If the action is required by federal regulations, attach a copy of the applicable regulation.

The Department of Health and Hospitals, Bureau of Health Services Financing promulgated an Emergency Rule which amended the provisions governing outpatient hospital services to establish supplemental Medicaid payments to non-state owned (private) hospitals in order to encourage them to take over the operation and management of state-owned hospitals that have terminated or reduced services (Louisiana Register, Volume 38, Number 11). Participating non-state owned hospitals shall enter into a cooperative endeavor agreement with the department to support this public-private partnership initiative. The department promulgated an Emergency Rule which amended the provisions of the November 1, 2012 Emergency Rule to revise the reimbursement methodology in order to correct the federal citation (Louisiana Register, Volume 39, Number 3).

The department submitted the required corresponding Medicaid State Plan Amendment to the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS), for review and approval as a result of these revisions to the reimbursement methodology governing outpatient hospital services. During negotiations with CMS to secure approval, additional revisions were made. This proposed Rule is being promulgated to continue the provisions of the March 2, 2013 Emergency Rule, and to revise these provisions to ensure they are consistent with the approved corresponding State Plan Amendment.

(a) _____ If yes, attach documentation.

(b) x If no, provide justification as to why this rule change should be published at this time.

Act 16 of the 2015 Regular Session of the Louisiana Legislature allocated funds to the Department of Health and Hospitals to provide reimbursements to providers for Medicaid covered services.
