

## **ECR Data Elements**

The ECR accepts documents and Case Activity Log (CAL) entries through web service interfaces. When submitting a document like correspondence, the letter would be submitted with Meta-Data and an optional CAL entry. CAL entries can be submitted independently through a web service as well.

### *Document Interface Meta Data:*

SSN  
Firstname  
MiddleName [Optional]  
LastName  
Suffix [optional]  
DateReceived  
DocumentType  
SourceType [Optional]  
Comment (CAL Entry) [Optional, but preferred]  
Action Type  
Action Date  
User Id (Common Security) or Full Name  
Electronic Documents (tiff image or PDF).

### *CAL Interface Meta Data:*

Comment  
Action Type  
Action Date  
User Id (Common Security) or Full Name
