Issue Date March 8, 2010

Issued to All Food and Drug Unit Sanitarians and Clerical Staff, CBA Contractors

Issued by Lance E. Broussard, Program Administrator, Food and Drug Unit

Purpose to outline requirements for operators at temporary Commercial Body Art functions/events

Effective immediately, I am revising our current policies in regards to the registration of operators for temporary CBA events held within the state of Louisiana. After further consideration and consultation with Program Manager Walter Pichon and industry representatives, I have determined that the previous fee changes were inappropriate based on the fees charged for similar activities in other states. The fees being assessed as a result of the memorandum issued June 3, 2009 were excessive. The language in Item # 1 for the initial memorandum issued on April 30, 2009 and revised on June 3, 2009 will read as follows:

- 1) The registration fee for a temporary event as defined in Part XXVIII of Title 51 of the Louisiana Administrative Code is **\$250** per booth or other enclosed space in which a specific operator or group of operators will perform regulated activities for out-of-state operators. For in-state operators, this fee is **\$100** per booth or other enclosed space. This is a per-event fee.
